

Application Serial No. 10/727,195

HUIP-P02-032

REMARKS

The Notice states that the amendments to the claims filed on January 21, 2009 do not comply with the requirements of 37 C.F.R. § 1.121(c). Specifically, the Notice states that the word "squamus" was deleted from claim 26 without strike-through, and that "squamous" was added in its place without underlining. In addition, the Notice states that a status identifier should have been added to the amended claim 26.

Applicants thank the Examiner for pointing out the inadvertent clerical error that resulted in the unmarked amendment. Applicants have corrected the error by deleting recitation of the word "squamous" and by reinserting the word "squamus", as recited in the original filing of claim 26 as a new claim on January 23, 2006. The Listing of Claims enclosed herein will replace the Listing of Claims filed on January 21, 2009, which contained the noted error. Applicants believe that the claim amendments now comply with the requirements of § 1.121(c) and that their January 21, 2009 Response is now complete. Applicants respectfully request consideration in view of the instant submission, and in view of the arguments advanced in the January 21, 2009 Response.
